Subject: RE: South Karori road car bridges across south Karori stream

Hi guys,
I have checked all permits for these addresses, plus the footpaths and accesses files relating to South Karori Road, plus the subdivision files, but I can't find any other plans for the bridges across the stream. The land from 76-92 South Karori Road appears to all have been developed by a Mr Rabone in the 1950's, and the bridges pre-date the dwellings.
Sorry I can't be of any help.
Regards,
Des
