Dear Ministry for Primary Industries,

Can you please provide the following information.

- 1/ Copies of any, and all, video footage and photos taken of animals while being poisoned to measure the humaneness of 1080 poison, anti-coagulant poisons, or any other similar poisons.
- 2/ Please provide all sequences of during, up until their death, and after.
- 3/ Please provide the names and email contact addresses of any organisations that may have video footage and or photos of animals being studied while poisoned.
- 4/ Are you aware of any studies undertaken to measure the humaneness of 1080 poison, or any other poison, in the last 10 years? If so, what studies were they and who undertook them?

Yours faithfully,

Clyde Graf

This is an Official Information request made via the FYI website.
