Dear Mr T

Local Government Official Information And Meetings Act 1987

Tetra Traps 2

I refer to your request for information which we received on 6 December 2017, concerning additional information relating to Tetra Traps. Please find our response below.

A breakdown of the price of Tetra Traps

As provided in our letter dated 28 November the average cost of a Tetra Trap is \$760. The contract for installation of these traps was let and priced by external contractors. The breakdown of this cost is provided by contractors in the tendering process. Providing a breakdown of this cost would be likely to unreasonably prejudice the commercial position of these contractors against current and potential competitors. This part of your request is therefore refused under s7(2)(b)(ii) of the Local Government Official Information and Meetings Act 1987.

Outcome of installing Tetra Traps on a trial basis

Council's Healthy Waters department have commissioned an independent review of the trial devices to evaluate the performance of a portion of the installed devices in Pakuranga. The performance evaluation is to be carried out over a two year period and includes catchpits, catchpit inserts and treatment devices. Healthy Waters have not received the findings of this report therefore this information is not held by council.

Details of maintenance costs

As above, providing a breakdown of these costs would unreasonably prejudice the commercial position of the contractors involved. This part of your request is therefore, refused under s7(2)(b)(ii) of the Local Government Official Information and Meetings Act 1987.

If you feel that we have not responded adequately to your request, you have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

If you have any further queries please contact me at officialinformation@aucklandcouncil.govt.nz, quoting LGOIMA No. 8140002266.

Yours sincerely
