Our response

We have searched our records and can find no reference to a Dr Afraz Adam being an ACC employee or receiving remuneration as a contractor. We note that doctors who work at organisations which are contracted to provide services to ACC, are not ACC employees and ACC does not hold information about the doctors who are employed by those organisations.

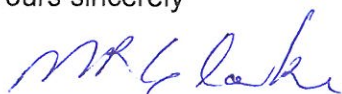

We are not able to provide the information you have requested. This is because the information does not exist. This decision complies with section 18(e) of the Act.
