fyi-request-6937-5987d975@requests.fyi.org.nz

Dear Rick

Thank you for your email of 4 December 2017, via the FYI website, requesting under the Official Information Act

What meetings, by date and organisation, have you had, while being in the country (e.g. not during your time at COP23), with lobbyists, lobby groups, NGOs, business delegations, or other interested parties (e.g. not officials) between 27 Oct 2017 and 01 December 2017?

I understand that on 20 December you clarified the scope of this request with my office as being specifically related to my Climate Change portfolio, and covering meetings with "people who are not government officials".

I am pleased to confirm that the following meetings fall within scope of your request:

3 November	Jim Salinger, University of Otago
7 November	Rt Hon Simon Upton, Parliamentary Commissioner for the Environment, and staff
9 November	Nick Gerritsen and Hannah Duder
21 November	Sarah Thomson
21 November	Christopher Luxon, AirNZ CEO, and staff
29 November	William Rolleston
30 November	Council of Trade Unions (CTU) National Affiliates Council

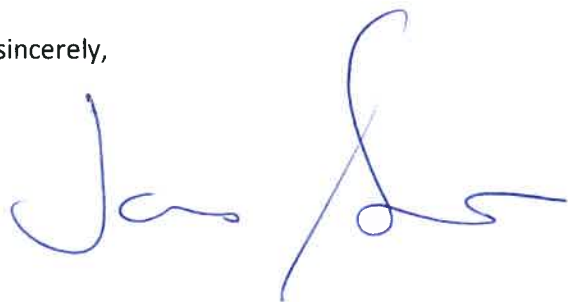

While I primarily attended the CTU National Affiliates Council meeting in my non-ministerial capacity as Co-leader of the Green Party, I have included it here as some of the discussion that took place was broadly relevant to my ministerial responsibilities.

On 21 November I also attended the annual Air NZ Parliamentary Reception, where I had numerous discussions with many people. It was not possible to keep a record of all of these. Again, I primarily

attended this event in my capacity as Green Party Co-leader but some of the discussions I had related to ministerial responsibilities.

You have the right to ask the Ombudsman to review my response to your request.

Yours sincerely,
