Dear Antony

Official Information Act Request

You have asked for Northland DHB's hospital bed occupancy rates from July 2007 to June 2016.

Northland DHB has four hospitals; Whangarei, Dargaville, Bay of Islands and Kaitaia. Data for each hospital is attached. The method used to calculate occupancy is whether a bed is occupied by a patient at midnight.

If you have any questions regarding Northland DHB's response to your information request please contact me.

Yours sincerely
