Dear Mr Reynolds

OFFICIAL INFORMATION ACT REQUEST

We refer to your request for information under the Official Information Act 1982 ("OIA") set out on the FYI.org.nz website on 2 April 2018 at: https://fyi.org.nz/request/7550-aviation-safety-and-rpas-drones-in-controlled-airspace.

You have requested the following information regarding drones spotted flying illegally through controlled airspace in New Zealand ("illegal incidents") for the period 1 January 2016 to 31 March 2018 for each incident:

- 1. Date, time and location
- 2. Aerodrome name and ICAO code (if within 4km)
- 3. RPAS details
- 4. Details of other aircraft involved
- 5. Nature of the incident
- 6. Details of people and any injuries
- 7. Agencies informed/involved i.e. CAA, TAIC, NZ Police
- 8. The agencies actions
- 9. Outcome e.g. Court case, fines, drone/operator not found

Background

Sightings of drones operating without approval in controlled airspace typically come to Airways' attention via three sources:

- 1. A pilot alerts an air traffic controller to the presence of a drone operating in controlled airspace;
- 2. A member of the public alerts an air traffic controller to the presence of a drone operating close to an aerodrome;
- 3. On a rare occasion, a controller may sight a drone operating without approval at (or close to) an aerodrome.

Therefore it is impossible for Airways to categorically confirm the number of drones flying illegally (without consent) in controlled airspace. For the purposes of this OIA we have provided information on drones that, in the main, were sighted by others and reported to us as flying in controlled airspace. Furthermore, if an incident is reported to a controller it is Airways' standard procedure to call the Police, provided it is operationally safe for the controller to leave their position to do so and the CAA is also subsequently informed.

Questions one and two

We provide the information requested below. Please note that while we hold the ICAO codes of airfields (and have disclosed this to you in good faith) we do not hold the information to determine if a drone is 4km within an aerodrome or not as we do not know all the local topography¹. Additionally, for this reason, we have provided the name of the air traffic control tower or radar sector terminal that the drone sighting was reported to, rather than the aerodrome name.

Question three

Airways refuses this part of your request as Airways does not hold RPAS details for each incident³.

Questions four and five

Given that your request involves a large quantity of information, time and resources to carry out this work, we are withholding the information on the basis that it requires substantial collation or research⁴.

Furthermore, we advise that beyond the information provided to you in this letter, we estimate that it will take approximately 62 hours in order to formally collate the information you have requested. In accordance with the Ministry of Justice charging guidelines, we will charge \$38 inclusive of GST per half

Airways Corporation of New Zealand Level 7, Majestic Centre 100 Willis Street, Wellington 6011 Phone: +64 4 471 1888, fax: +64 4 471 4712 P O Box 294, Wellington 6140, New

hour (after the first hour) spent extracting and compiling relevant data, making the charge for providing the information approximately \$5092.00 (plus materials used for consultations).

Should you wish to accept this charge, we will be seeking to extend the period for a response for a further 20 working days, in accordance with section 15A of the Official Information Act.

Question six

Airways does not hold any information relating to 'details of people' and 'any injuries'5.

Question seven

The information you have requested involves a large quantity of time and resources to manually go through and extract this information from reports. Unfortunately, we are withholding the information on the basis that it requires substantial collation and research⁶.

Question eight

Airways does not hold the information⁷. The information is connected more closely with the functions of the CAA and NZ Police⁸. Normally we would seek to transfer this question⁹ but as you have already requested this information from them on the FYI.org.nz site¹⁰, they will respond to this part of your request accordingly.

Question Nine

Airways does not hold the information¹¹. The information is connected more closely with the functions of the CAA and NZ Police¹². Normally, we would seek to transfer this question¹³ but as you have already requested this information from them on the FYI.org.nz site¹⁴, they will respond to this part your request accordingly.

Your rights

You are entitled to apply to the Ombudsman for a review of our decision pursuant to section 28(3) of the OIA.

Kind regards

Arama Eruera

Airways' OIA Officer
