Dear Leon

Local Government Official Information And Meetings Act 1987

Light Weight O Cost Breakdown

I refer to your request dated 6 August 2018, for a breakdown of the total cost involved with the mirror sculpture, Light Weight O by artist Catherine Griffiths, on O'Connell Street installed in July 2018.

The total cost for Light Weight O of \$265,000 was funded through the approved regional public art budget and city centre targeted rate. This amount reflects the whole-of-project costs, not just the art piece itself. With reference to your request, below is a breakdown of the Light Weight O artwork project:

- Artist fees, Artwork Fabrication, Heritage Building and Artwork Install	114,766
- Consenting, peer review and other expenses	13,790
- Consultancy (feasibility) of suspension and construction	16,681
- Engineering fees, H&S reviews, heritage scanning and reports	56,837
- Project Management (includes staff capitalisation)	63,760

The artist fee is incorporated in the first line of the expenditure breakdown together with the artwork manufacture and install costs. As you will appreciate, the artist fee is a contracted and commercially sensitive negotiation hence not explicitly separated as a cost.

Should you believe that we have not dealt with your request appropriately, you have the right in accordance with section 27(3) of the LGOIMA to make a complaint to the Office of the Ombudsman and seek an investigation and review in regard to this matter.

If you have any further queries please contact me on 09 301 0101, quoting LGOIMA No. 8140003368.

Yours sincerely
