Dear Creating Miracle Minds

**Transfer of request for official information**

Thank you for your request of 26 August 2018 under the Official Information Act 1982 (the OIA) asking:

*I wish to reverse the registration process, unregister my car if you like. On the mr15 form, there may be options for scrapping, selling, exporting etc. But I do not wish to do any of these things, I want the car to become one of my possessions, as opposed to a registered vehicle. I must remind you I am aware of the meaning of the word 'registration' according to Black's law dictionary.*

*I want to be the rightful owner, as opposed to the registered keeper. I want the car to have no connection with me on any records, I want the car to be nothing more than a belonging which I keep. How do I go about this process?*

The information you have requested is not held by the Ministry of Transport but is believed to be more closely connected with the functions of the New Zealand Transport Authority (NZTA). This request is therefore being transferred under Section 14(b)(ii) of the OIA to NZTA for response.

NZTA will be in contact with you directly regarding your request.

Kind regards,

Lisa MacKenzie
