I am writing to advise you that MBIE will provide a response but needs to extend the time available to answer your request. MBIE's response will be with you no later than 17 December 2018.

The reason for the extension is that consultations necessary to make a decision on the request are such that a proper response to the request cannot be made within the original time limit.

You have the right to seek an investigation and review by the Ombudsman of our decision to extend the timeframe. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely
