Dear Mr Grainger

Official Information Act request: student loans and passport renewals

Thank you for your email of 9 August 2013, asking when you can expect a response to your Official Information Act request.

I apologise that I have not responded to you by the extended deadline of 8 August 2013. Unfortunately, the consultation necessary to make a decision on your request has taken longer than anticipated.

We continue to work on your request, and I hope to be able to reply to you by 16 August 2013.

Yours sincerely
