Dear Mr Davenport

## Request for information 2018 - 402

I refer to your request for information dated 24 December 2018, which was received by Greater Wellington Regional Council (GWRC) on 24 December 2018. You have requested the following information:

*“In an email dated 26 Oct 2018 from Bruce Horsefield to Matthew Lear, there was an indication that Metlink may help support a Red light Campaign with the operators. I would like to request any information about any planning of this campaign. This should include any correspondence with the operators about this campaign”*

GWRC’s response follows:

As there has not been any Metlink-organised red light campaign, there is no information about planning such a campaign. GWRC has, however, been proactively working with operators to raise awareness of traffic light adherence through its normal operational forum to address this issue. Correspondence and meeting notes with operators and Wellington City Council (WCC) have been sent to you in response to OIA 2018-395. This includes:

- Notes from monthly meeting between the WCC and the GWRC on 13 November 2018.
- Copies of correspondence with NZ Bus and Mana Coach Services.

If you have any concerns with the decision(s) referred to in this letter, you have the right to request an investigation and review by the Ombudsman under section 27(3) of the Local Government Official Information and Meetings Act 1987.

Yours sincerely

**Greg Pollock**  
General Manager, Public Transport
