

TRAFFIC RESOLUTION – CONSULTATION FOLLOW UP

Reference: TR 113 – 17

Location: Tinakori Road, Thorndon

Proposal: Car Share Vehicle Parking Space

Summary: Earlier this year, you took the opportunity to submit on proposals to convert three car parks at Tinakori Road to dedicated car sharing parks. The earlier proposal is shown as “TR 113 – 17 Tinakori Road Previously Advertised Design (August 2017)” in the Attachments below.

Due to community feedback from the original consultation, we are now seeking to shift those parks to the locations shown as “TR 113 – 17 Tinakori Road Updated Design (October 2017)” in the Attachments below.

You will see from the below images and the Attachments that for Tinakori Road this means moving the carparks down the road to be in front of Premier House.

If you would like to add or change your original submission in light of the further proposed changes, please email: ElectricVehicles@wcc.govt.nz by Friday 3 November 2017, 5pm.

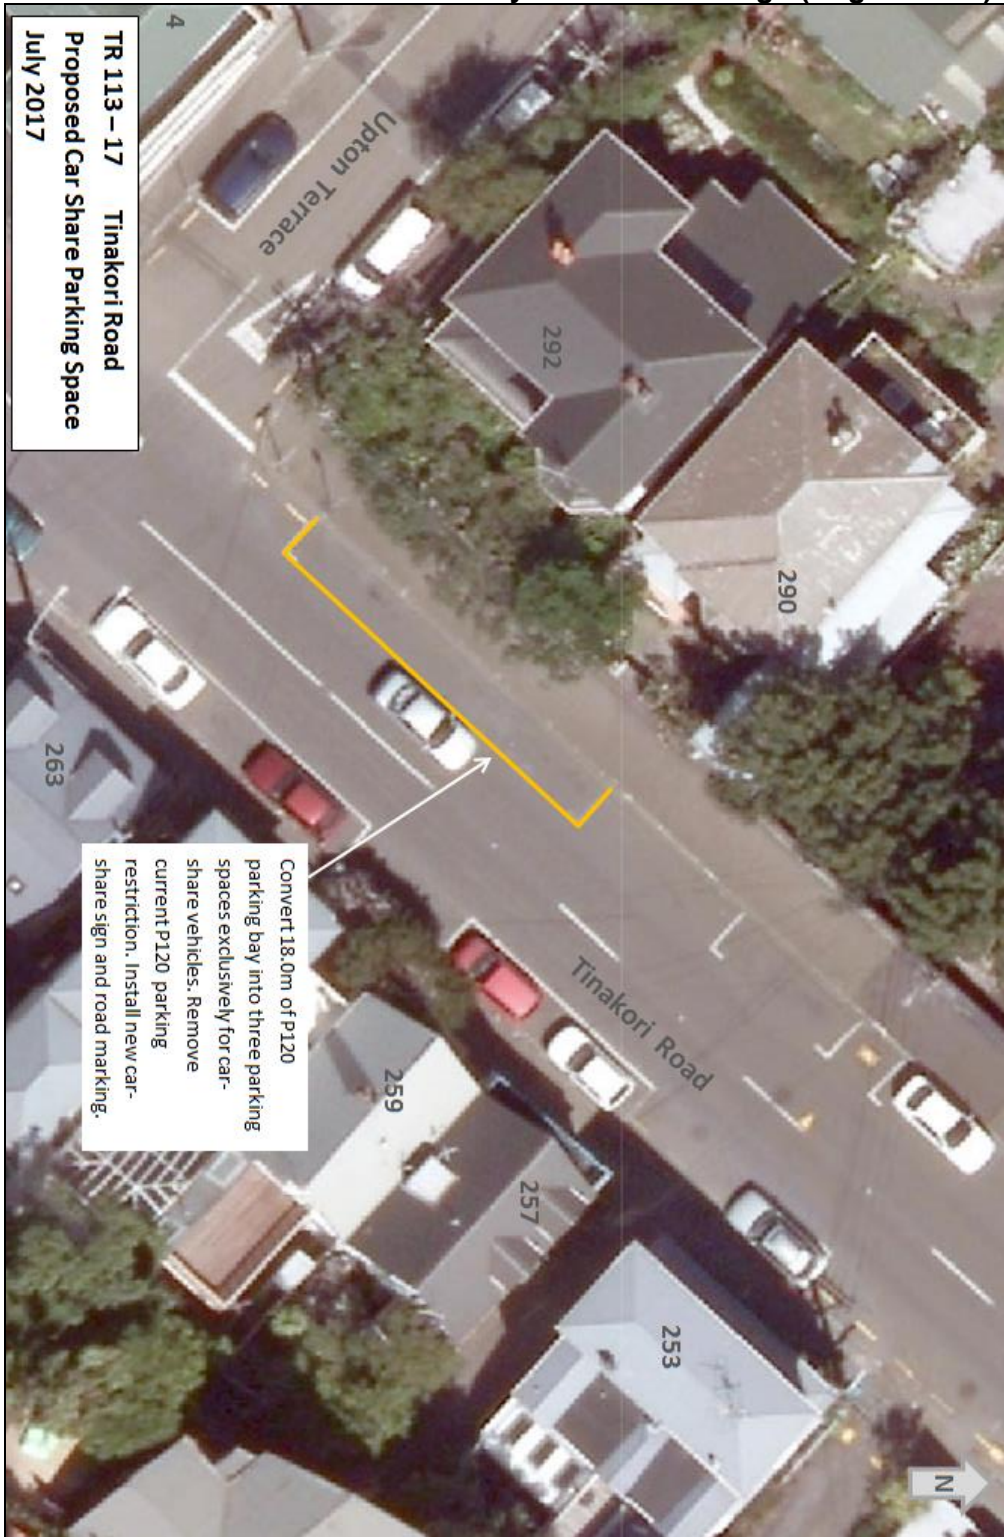

If you have no change to your original submission, we will continue to consider your original submission and there is no need to contact us to confirm this.

For any questions, please email the above address and we would be glad to address them.
