Hi all,
Attached is the web page with the information about how we respond to suicidal behavior in our halls.
We will make this live by 5pm – let us know before then if you have any further feedback.

Please note we have added in:

- Emergency content information – at the top
- Direct link to the contact information for student counselling information
- Direct link to the halls of residence support staff

The link to the earlier news article is in related links to the side.

Thanks
Katherine
