OIA Request 01-19-303

I refer to your request received 20 December 2018 in which you requested the following information:

I would like to know whether any dashcams or similar systems are installed in police cars. If so, I would like to know how long any data stored on them is retained for.

I can advise that no police vehicles have any dashcams or similar systems installed.

You have the right, under section 28(3) of the Official Information Act 1982, to ask the Ombudsman to review my decision if you are not satisfied with the way I have responded to your request.

Yours sincerely

Rob Morgan
Manager: Fleet Management Group
