Dear Ana Nicholls,

Can you confirm that there was no internal correspondence related specifically to item 2 which you have provided. My original request was to include any correspondence (including but not limited to with the public, internal correspondence, and any independent contractors) in regards to the email I sent on 10 Jan (which looks like it got logged on 11 Jan and released as item 2 here).

From your response, it appears that the council have had no internal discussion regarding my valid criticisms on cycle speeds and traffic light timings, or discussions with any independent contractors. I hope that isn't the case, and would like to receive the correspondence.

Yours sincerely,

[Redacted]
