Dear Mr Davenport

Request for information 2019-071

I refer to your request for information dated 28 February 2019, which was received by Greater Wellington Regional Council (GWRC) on 28 February 2019. You have requested the following information:

“I would like information about all upcoming bike bus workshops run with the Cycle Action Network (CAN) for 2019. This should be dates, marketing strategies, sign up form locations, and rough numbers of bus drivers and cyclists expected to attend”

Greater Wellington Regional Council’s response follows

GWRC is not currently planning any bike bus workshops with Cycle Action Network for 2019.

GWRC is planning Bike Bus workshops that will be facilitated by GWRC officers and Pedal Ready cycle skills instructors. These workshops are tentatively scheduled with NZ Bus for July 2019. GWRC is currently negotiating actual dates for these workshops.

As you will be aware from your previous request, GWRC has recently run bike bus workshops with Tranzurban. GWRC will run more workshops with Tranzurban but currently have no dates scheduled.

The marketing strategy is that GWRC will communicate directly with the bus companies. When a date and venue is confirmed GWRC will use social media to notify potential cyclists who might want to join us.

GWRC currently does not have sign up form locations.

GWRC aims for 12 drivers and about 3 cyclists per workshop.

If you have any concerns with the decision(s) referred to in this letter, you have the right to request an investigation and review by the Ombudsman under section 27(3) of the Local Government Official Information and Meetings Act 1987.

Yours sincerely

Luke Troy
