Dear Mark Honeychurch

Thank you for your email of 3 July 2013 requesting for each year since religious schools were integrated into the NZ state school system, how much in total has the government spent supporting these schools.

Your request has been considered under the Official Information Act 1982.

The funding data is available from 1998. Included is the sum of the teacher salaries and operational grants to state integrated schools. Most, but not all state integrated schools have a special character associated with a religion.

The information you requested is enclosed.

Yours sincerely
