Dear G Christian,

**REQUEST FOR INFORMATION**

I refer to your email dated 15/07/2013 in which you requested:

*"In the interest of public safety can I have a list of addresses going back to Jan 1 2008 that the NZ Police conducted raids on that were found to contain "P Labs" or were used for the manufacture of Methamphetamine.*

*Broken down on the list the number of arrests that were made at the property at the time or following the raid.*

*In the event that the property was found to contain a "P Lab" and then raided at multiple dates, I would like the dates of those raids included as well."*

The purpose of this letter is to notify you that Police require an extension of time in which to respond to your request, pursuant to section 15A(1)(b) of the Official Information Act 1982, because consultations necessary to make a decision on the request are such that a proper response to the request cannot reasonably be made within the original time limit.

Police require until 26 August 2013 to provide a substantive response to your request.

You have the right to complain to the Office of the Ombudsmen about this extension.

Yours sincerely,

JDM Rinckes
